3. Mr. Saunders stated that in reference to the Medical Program by the Department of Defense, they had heard that the Air Force was suggesting that Agency employees carry cards entitling them to medical service at Air Force installations on a reimbursable basis. Colonel White asked Mr. Saunders to talk with Dr. Tietjen on this subject.

4. It was decided that the General Counsel Office would review the definitions of consultants, experts, and associates for the purpose of rewriting the present definitions as contained in Confidential Funds Regulation [REDACTED]
